

OUTREACH “HOME OF JOY” MISSIONARIES OF CHARITY- MOTHER TERESA

On Monday, November 26, 2018 at about 1:00 pm, six (6) women employees of PhilEXIM namely Ms. Rovie , Milie, Alma, Sally, Gina and Flora went to the Home of Joy for the Sick Children. Though a lot of employees would like to join said group most of them were either on a seminar and the others have important matters to finish or due dates. Most women who made this activity possible is Ms. Lea (not in the pic) who bought the groceries for the kids, Ms. Cita Joson who made it possible to look for the one who cooked food for the children. Along with us as you could see in the picture is our former Officer-In-Charge, Atty. Toffs Gabriel, he is already retired but still managed to share us his time to share as he say “Early Christmas Cheer to the Home of Joy Wards”

For our co-employees I who shared their blessings to the less privelege children in terms of cash, clothes, toys , time and effort , in behalf of “The Missionaries of Charity” Mother Theresa Of Calcuta , we would like to thank everyone for sharing their Time, Tallent and Treasure for the said Missionaries of Charity only issues receipts for the cash donations for they do not issue such letters of appreciation due to lack of computers, internet and much so someone to operate them. With this to God Be the Glory!
